

The Police Station Syrdall : Close to the citizen, visible, available, efficient!

The new Police station Syrdall, resulting from the community of the units Moutfort, Niederanven and Roodt-sur-Syre, has been functioning since the 11th of January 2017. The new structure serves the municipalities of Betzdorf, Biwer, Contern, Flaxweiler, Niederanven, Sandweiler and Schuttrange.

The pilot project's aim is to provide better customer service through:

- an increased presence in your cities and close to your interests;
- the possibility to arrange your visit at the station by appointment and in a longer time slot;
- a flexible service to meet your needs.

At your service, 5 days a week, from 7am to 9pm
